6. BUSINESS

6.1 Zone Standing Orders Amendment

As raised by the members of the East Metropolitan Zone at their February meeting, and noted at the April Zone meeting, a request to have the East Metropolitan Zone Standing Orders amended to have the requirement of votes to be recorded.

Attached with the Agenda (Attachment 5) were the amended Standing Orders to include this requirement for the Zone to endorse. A new clause 33.2 has been added to give effect to this amendment, which states "The Secretariat will cause for the number of votes for and against each Motion to be recorded in the Minutes".

RESOLUTION

Moved:
Seconded:

That the East Metropolitan Zone endorse the amended Standing Orders to be effective from 25 August 2022 Zone meeting as written and attached to the agenda.

DEFERRED TO NEXT MEETING

Delegates noted several anomalies the draft Standing Orders including numbering. Request that these be corrected, and revised Standing Orders brought to the next meeting.

6.2 Meeting Attendance Protocols – Online Attendance

By Chantelle O'Brien, Zone Executive Officer

BACKGROUND

As a consequence of the Covid-19 pandemic, attendance at meetings and forums via video conference has been widely adopted as a standard practice and is, in many cases, an expectation of attendees.

While Zone meetings have historically been conducted in-person, there have been occasions when Zone meetings have been held as a fully virtual meeting due to Covid restrictions or Covid risk.

Recently, as the technical capacity to host virtual meetings (with a mix of in-person and online attendance) has developed, there has been an increase in requests from Zone Delegates to attend otherwise in-person Zone meetings via a video-conferencing platform.

The WALGA secretariat is seeking Zone guidance on this matter to put in place Zone protocols going forward.

COMMENT

There are several considerations regarding the suitability of hybrid meetings.

Firstly, there is an argument that in-person Zone meetings are preferable, as has been past practice, as in-person meetings (including sharing a meal and refreshments) facilitate relationship building, information sharing, networking opportunities and engagement between member Local Governments and between Local Governments and the WALGA secretariat including office bearers and senior staff.

Secondly, while there may be circumstances that prevent a Council Delegate from attending in-person, each Council has one or more Deputy Delegates who may be available to attend in-person and contribute to the meeting. For instance, it is unclear which is preferable: in-person attendance by a Deputy Delegate or online attendance by a Delegate.

Thirdly, from a meeting management perspective, there are challenges for the chairperson facilitating participation and managing a hybrid meeting, particularly given the chair may not be familiar with the technical arrangements at the host Local Government for any given meeting.

Fourthly, there are technical considerations for the host Local Government. While many Local Governments now have suitable facilities, it would be expected that the host Local Government would provide the necessary technical support (potentially outside of business hours) to ensure the meeting can transpire smoothly.

Finally, the Zone's direction in relation to guest speakers is also sought. From the secretariat's point of view, in-person attendance by guest speakers is preferable, however there may be instances when a guest speaker is unable to attend in-person but is able to attend virtually.

From the perspective of the secretariat, there are significant benefits to continue holding Zone meetings primarily in-person – relationship building, information sharing and engagement – and there are technical and meeting management challenges associated with hybrid meetings.

On balance, it is recommended that, restrictions notwithstanding, Zone meetings continue to be held primarily in-person.

Accordingly, and given Councils appoint Deputy Delegates to ensure representation when a Delegate is unable to attend, it is recommended that preference is given to Deputy Delegate attendance in-person ahead of online Delegate attendance and the hybridisation of the meeting. If Deputy Delegate attendance is not possible, the secretariat will liaise with the host Local Government to facilitate online attendance.

If Zone meetings are to be held in a hybrid format, the secretariat will liaise with the host Local Government to check whether a hybrid meeting can be facilitated, to ensure technical setup is undertaken and to confirm technical support will be provided.

It is also recommended that the secretariat continue to liaise with the Zone Chair in relation to guest speakers, as is current practice.

RESOLUTION

Moved: Mayor Phil Marks
Seconded: Cr Catherine Ehrhardt

That the Zone adopt the following protocols:

1. That, Covid-19 or other restrictions notwithstanding, Zone meetings continue to be held primarily in-person;
2. That, given Zone meetings are to be held primarily in-person:
 - a. first preference will be for in-person Deputy Delegate attendance, before online attendance of Delegates is considered, and
 - b. If Deputy Delegates are unable to attend in-person, the secretariat will liaise with the host Local Government with the aim of facilitating online attendance in a hybrid meeting format;
3. That, if Zone meetings are to be held in a hybrid format, the host Local Government will provide technical setup and support in liaison with the WALGA secretariat; and,
4. That the WALGA secretariat liaise with the Zone Chair in relation to attendance and arrangements for guest speakers, and if online attendance of a guest speaker is to be facilitated, the secretariat will liaise with the host Local Government to make the necessary arrangements.

6.3 WALGA Best Practice Governance Review Update

By Tony Brown, Executive Manager Governance and Organisational Services and Tim Lane, Manager Strategy and Association Governance

BACKGROUND

WALGA has embarked on a significant project to review WALGA's governance model to ensure the organisation is governed by a contemporary, sound, and agile governance model that:

- Facilitates meaningful engagement with Local Government members,
- Enhances WALGA's legitimacy among members and stakeholders, and
- Enables sound and focused decision making to guide advocacy, policy, and service delivery.

WALGA's [Corporate Strategy 2020-25](#) identifies "contemporary governance and engagement models" as a key strategic priority leading to State Council's commissioning of the Best Practice Governance Review project.

A further goal of the project is to fundamentally review, and subsequently amend, WALGA's governance documentation – Constitution, Corporate Governance Charter, State Council Code of Conduct, and Standing Orders – to ensure consistency and alignment.

To oversee the project, State Council appointed a Steering Committee with the following membership:

President Cr Karen Chappel JP
Cr Paul Kelly

WALGA President (Chair)
WALGA Deputy President

President Cr Phil Blight
Mayor Carol Adams OAM
President Cr David Menzel
Mayor Albert Jacob
Andrew Sharpe
David MacLennan
Nick Sloan

Country State Councillor
Metropolitan State Councillor
Country Elected Member
Metropolitan Elected Member
Country Chief Executive Officer
Metropolitan Chief Executive Officer
WALGA Chief Executive Officer

Senior WALGA staff are providing executive support and PwC has been appointed to facilitate meetings of the Steering Committee and to produce an Options Paper and a Final Report.

The Steering Committee has met twice. At the first meeting, held on 5 May 2022, the Committee:

- Adopted Terms of Reference
- Reviewed the Project Plan
- Considered existing governance documentation
- Discussed the project methodology, and
- Agreed five comparator organisations whose governance models would be reviewed:
 - i. Australian Hotels Association (AHA)
 - ii. Australian Medical Association (AMA)
 - iii. Chamber of Commerce and Industry WA (CCIWA)
 - iv. Chamber of Minerals and Energy (CME), and
 - v. Pharmacy Guild of WA

The comparator organisations were selected for their similarity to WALGA as membership organisations (with organisations as members) and their perceived effectiveness as advocacy peak bodies.

At the Steering Committee's second meeting, held on 8 June 2022, the Committee reviewed the governance models of comparator organisations presented by PwC and identified initial performance assessment criteria that will guide the evaluation of alternative governance model options.

The Steering Committee will be meeting again in late June to consider an Options Paper which will present alternative governance model options. The Options paper will be presented to State Council at the 6 July Strategic Forum. Member feedback will then be sought on the Options Paper during July and August.

Following member feedback, the Steering Committee will direct the development of an agenda item outlining high level principles and non-negotiables of a future governance model for the 2022 Annual General Meeting. This agenda item and debate will gauge members' views on the direction of the project.

The final report due to be completed by mid-October 2022 will be the subject of further consultation with members, including through a full round of Zone meetings in November in the lead-up to the December State Council meeting.

Substantive structural changes to WALGA's governance model will require amendments to the Constitution, which must be approved by a special (75 percent) majority at both a meeting of State Council and an Annual General Meeting. As such, any proposed changes will need to have strong support of members for Constitutional change to be ratified. The aim of the project is to put forward constitutional amendments to members at the 2023 Annual General Meeting.

COMMENT

The Best Practice Governance Review Project represents a significant opportunity to improve WALGA's governance model to improve decision making effectiveness while ensuring meaningful member representation and participation.

Past reviews since the formation of WALGA as the single Local Government sector peak body over 20 years ago have led to significant process and other improvements while the structure and composition of State Council has remained broadly unchanged. WALGA receives mixed feedback on its governance model through member surveys and other mechanisms suggesting there is room for improvement.

Any future governance model will need to balance member representation and participation in decision making processes with efficiency and strategic focus. The forthcoming Options Paper will present potential options that aim to balance competing objectives identified by the Steering Committee.

Member engagement and consultation will be crucial to the success of the project and very high levels of member support will be required for constitutional amendments to be ratified, as outlined above. Consequently, members should anticipate opportunities to contribute to the project and provide insight in relation to options put forward over coming months.

RESOLUTION

Moved: Mayor Phil Marks
Seconded: Cr Renee McLennan

That the update on the WALGA Best Practice Governance Review Project be noted.

6.4 Proposed Advocacy Position for Management of Bushfire Brigades Discussion Paper

By Susie Moir, Policy Manager Resilient Communities

BACKGROUND

WALGA is seeking the views of the sector on a new Advocacy Position on the management of Bushfire Brigades, as per the Discussion Paper, [Arrangements for Management of Volunteer Bush Fire Brigades: Proposed Advocacy Position](#).

Western Australian Local Governments have extensive roles and responsibilities prescribed in the State Emergency Management Framework (State Framework) across the emergency management activities of prevention, preparedness, response, and recovery. Relevantly, pursuant to the *Bush Fires Act 1954*, Local Governments have responsibility for bushfire and the management of volunteer Bush Fire Brigades (BFBs).

The Paper proposes a new Advocacy Position on the management of BFBs to guide the Association's emergency management advocacy on behalf of Local Government, and in particular its engagement with the State Government on the development of the Consolidated Emergency Services Act which is expected to be released for stakeholder consultation in early 2023.

Four options are identified for the future management of BFBs:

1. Status quo – continue with the current arrangements for management of BFBs whereby the majority are managed by Local Government and transfer arrangements are negotiated on an ad hoc basis between DFES and Local Governments (or their BFBs).
2. Improvements – continue with the current arrangements for Local Government management of BFBs with additional support provided by the State Government with respect to increased funding and better access to training resources and other support.
3. Hybrid Model – Local Government continues to manage BFBs where they have the capacity, capability and resources to do so; however where they do not have the capacity, capability and resources, responsibility for management of BFBs is transferred to DFES.
4. Transfer – Responsibility for management of all BFBs is transferred to the State Government, consistent with the arrangements in other States and Territories.

COMMENT

Based on the feedback received from Local Governments in the WALGA Emergency Management Survey and the other considerations outlined in the paper, it is considered appropriate for the Association to support a hybrid model for the management of BFBs.

A hybrid model would enable the continued management of BFBs by those Local Governments with capacity, capability and resources to do so, while providing a framework for the transfer of the management of BFBs to the State Government where a Local Government does not.

Whatever the arrangements for future management of BFBs, it is apparent that Local Governments with responsibility for management of BFBs require additional support and resourcing which should be provided by the State Government, including:

- Development of a suite of guidelines and resources to assist Local Governments in their management of BFBs, particularly with respect to the discharge of obligations under the *Work Health and Safety Act 2021*;
- Expansion of the Community Emergency Services Manager Program (CESM) so that every Local Government with responsibility for managing BFBs has access to the Program if they wish to participate;
- Universal access to DFES training for BFBs; and
- Development of mandatory and minimum training requirements including recognition of competency for volunteers.

Local Governments are encouraged to provide a written response to this Paper or to complete the survey. Formal Council resolutions will assist the Association understand the sentiment of the sector on this important issue.

Questions are provided at the end of the Paper to guide feedback.

Feedback should be provided in response to the questions via email to em@walga.asn.au by 5pm Friday 8 July 2022.

7. OTHER BUSINESS

Review of State Council and Zone Chair Election Processes

Delegates requested that this matter be added as a matter for consideration at the next meeting, including advice on the approach taken by other Zones.

Work Health and Safety Act and Regulations

Delegates considered whether combining to obtain legal advice concerning the new legislation and regulations would be efficient. Mr Nick Sloan suggested that review of extensive published material and direct engagement with the Department should be pursued before considering independent legal advice.

8. EXECUTIVE REPORTS

8.1 WALGA President's Report

The WALGA President, Cr Karen Chappel presented her Report.

Noted

8.2 State Councillor's report to the Zone

WALGA State Councillor presented on the previous State Council meeting.

Noted

8.3 Department of Local Government, Sport and Cultural Industries Update

Nil

Mr Nick Sloan agreed to discuss future participation in Zone meetings with the Department of Local Government, Sport and Cultural Industries.

9. NOTICE OF MOTIONS FOR THE FOLLOWING MEETING

1. That WALGA advocate to the Joint Standing Committee on Delegated Legislation to reconsider the current interpretation of the provisions of the Cat Act 2011 to enable Local Governments to implement controls through Local Laws. (Town of Bassendean)
2. That WALGA develop a policy position in relation to installation of gas connections in new dwellings. (Town of Bassendean)

10. DATE, TIME AND PLACE OF NEXT MEETING

RESOLUTION

That the next ordinary meeting of the East Metropolitan Zone be held on 25 August 2022 at the City of Belmont commencing at 6:30pm.

11. CLOSURE

There being no further business the Chair declared the meeting closed at 7:40pm.
