

The Western Australian Local Government Directory is a valuable tool for any person who has an involvement with Local Government. It contains details on the 139 Councils in Western Australia, as well as Christmas Island and Cocos (Keeling) Islands.

Each Council entry includes:

- Contact details and Council ABN;
- Councillor names and wards;
- Executive staff names;
- Suburbs and localities with postcodes;
- Significant local events;
- Details of full Council meetings;
- Tourist attractions; and
- Local industries.

The Directory also includes information on Local Government organisations, regional groups of Councils, Preferred Supplier information, general facts about Local Government in Western Australia, detailed coloured maps of Local Government boundaries, and selected key data relating to Council income and expenditure, as well as Census statistics by Council.
